Newsletter 24: April 19th 2024

Dear Parents,

Hopefully, if the weather keeps dry we will soon be able to use the field for break times and lunch times. It is certainly lovely to be able to enjoy the fresh air and being outside. This is the time of year when I know you will be thinking of holidays. We do understand that it is important to you to keep costs low. However, I must remind you of the importance of your child being in school all day and every day to benefit from the education they deserve and they are entitled to. The school is duty bound to fine families that take unauthorised holidays in term time. Please be aware that the fine is £60 per child per absence and each parent is fined. This means if two parents of two children take them both out of school for a holiday during term time, they could face fines totaling £240.

Lila and Colby took part in a Poetry Day representing our school.

They worked alongside the famous poet-Spoz.

Thank you!

BIGWRITE

The Big Write title is

Is it fair if someone cheats in a game and they win?

What a moral dilemma. Maybe, you have an experience when this has happened to you. Perhaps you could recount this or turn it into a story. What happened? Who was involved? How did it make you Feel? How was it resolved? Did it teach you a lesson for the future?

The Lonely Dragon by Grace

There was a poor lonely dragon and no one cared for him. Everyone thought that he was a dangerous so they would just run away. He was crystal blue with a spikey tail. He way in a dragon shop but they let him out into the forest because he didn't get picked. He had a sad life. He gave up hope and just sat by an old tree. When one day a sweet owner came to the forest. The dragon just sighd and watched the owner when the owner came to him. He was in shock. The owner gave him some food and took him home. He was finally cared for. He was so happy after all these years that someone cared.

He grew up respectfully and politely. His owner was so proud
